**Toano, Va.-** C&F Financial Corporation believes that a strong community benefits everyone. Since 1927, we have been highly committed to the communities we serve with our time, our talent and our treasure. Our community commitment is perhaps the best example of our ***Focused on You*** mission.

One charitable organization that C&F partners with is the Sportable Richmond Adaptive Sports. Sportable creates opportunities to make sports accessible for individuals with physical disabilities and visual impairments year-round. By fostering a fun, inclusive, competitive, and accessible environment, Sportable transforms the lives of athletes and frees them to see beyond their disabilities, enhances their peer relationships and helps them to reach their personal finish line. C&F donated \$15,000.00 as an annual sponsorship to support Sportable with their mission and events.

Hunter Leemon, Executive Director of Sportable said, “We are so fortunate to have community partners like C&F. Their customer service is outstanding - they understand our business, care about our work & people, and have consistently gone above and beyond to provide exceptional service. From handling everyday banking needs, to holding our hand during the turbulent times at the beginning of Covid, they are always willing to do what's best for us. It's easy to be a champion for C&F Bank when they are such tremendous champions for us - we are so lucky to have them as partners in our work.”
