June 13, 2024 (Toano, VA) C&F Financial Corporation has been recognized as a *2024 Top Workplaces* winner by USA Today and the Richmond Times-Dispatch, an award that honors high performing companies in the eyes of their own employees via an annual anonymous survey. C&F's *Top Workplaces* designation specifically highlighted excellence in Leadership, Innovation, Purpose & Values, Compensation & Benefits, and Work-Life Flexibility. As mentioned, these awards are based solely on the feedback from an employee survey administered by a third-party measuring several aspects of workplace culture, including alignment, execution, and connection, to name only a few. More than 85% of C&F's employees (comprised of C&F Bank, C&F Finance, C&F Mortgage and C&F Wealth Management) provided feedback that ultimately earned the designation of a *2024 Top Workplaces* award.

"There's no better way to celebrate our company's commitment to customers, employees, and the communities we serve than with this *2024 Top Workplaces* award. I am deeply thankful for our wonderful C&F employees for helping make it all possible," stated Tom Cherry, President and CEO of C&F Financial Corporation.
