

2022 C&F Gives Back Community Report

C&F is and always will be a distinctly community-focused institution; the trust we have with our customers and the communities we serve is precious and among the strongest capital we have. We will continue to give undivided attention to every customer we have, while supporting communities with our volunteerism and philanthropy.

Thomas F. "Tom" Cherry
President and CEO
C&F Financial Corporation

A guiding mission of C&F's Focused on You promise is to build peace of mind and prosperity in the communities we serve. It's an honor to invest our time and resources in non-profit, civic, and educational organizations that form the backbone of these communities. Our **2022 C&F Gives Back Community Report** highlights the agencies we support and hopefully encourages others to support them as well. Everyone benefits when our communities are strong!

C&F Gives Back is focused on promoting volunteerism by encouraging C&F employees, customers, and other stakeholders to make a positive impact in the communities where we live and work.

C&F, along with the local community, joined hands to collect 100 books.

C&F helps students realize their potential through reading, in cooperation with **Simunye**.

“Positive representation is essential for all children (and adults) when forming a positive image of self and others. With that in mind, Simunye Reading Events provide culturally competent reading material with positive depictions of Children of Color. Children are afforded the opportunity to take home books about children from their culture or learn about the culture of other children, while simultaneously improving their reading skills. We are building community through reading.”

Welford “Mack” McLellan, Jr., Dean of Students, Diversity and Inclusion for the Renaissance School and Founder of Simunye

C&F and others in the community partnered with **Richmond Animal League (RAL)**, who gives hope, help, and loving homes to animals in need.

“These supplies will help so much as we head into the new year and welcome new animals to our shelter. All the treats, food, toys, and bedding will be incredibly helpful. Supply donations are always needed 365 days a year and are an amazing way to give back.”

Lauren Decker, Special Events Manager

C&F provided 200+ items consisting of blankets, towels, food, toys and cat litter.

C&F helps **Sportable** create opportunities for those with physical disabilities and visual impairments through sports.

“We are so fortunate to have community partners like C&F. Their customer service is outstanding – they understand our business, care about our work and people, and have consistently gone above and beyond to provide exceptional service. It’s easy to be a champion for C&F Bank when they are such tremendous champions for us – we are so lucky to have them as partners in our work.”

Hunter Leemon, Executive Director

C&F Bank and Mortgage gave \$15,000 to assist Sportable’s mission.

We’re committed to helping feed the community with **Fredericksburg Regional Food Bank** as C&F expands its presence in the market.

“We love connecting with people who are passionate about helping others! We can’t thank you enough for your thoughtful donation and the energy and joy you brought! This donation will feed a family of four for 26 days!”

LaToya Brown, Corporate Relations Coordinator

314 pounds of non-perishable food items were donated.
