**Toano, Va.-** C&F Financial Corporation believes that a strong community benefits everyone. Since 1927, we have been highly committed to the communities we serve with our time, our talent and our treasure. Our community commitment is perhaps the best example of our *Focused on You* mission.

One charitable organization that C&F partners with is RampsRVA. RampsRVA is a non-profit organization with a mission to help the less fortunate by paying for and assembling modular wheelchair ramps for those people who are in need and have qualified for financial assistance. C&F employees and customers donated approximately 80 volunteer hours to help build three wheelchair ramps in the community and donated \$5,000 towards purchasing the equipment needed for the builds.

Barry McDonald, Director of Operations, said, "On behalf of our recipients and the RampsRVA board, thank you to C&F Bank for the generous financial gift. I also want to thank the awesome employees that give their time to build wheelchair ramps. Their efforts have given the freedom of mobility to two more people."
